

Titano

design by Landa R&D

BOLLARD

EN Titano is a floor luminaire available in 4 different heights (45-75-100-125 cm), which can be easily integrated and installed in any type of outdoor environment. A simple shape for a practical and formal pole, robust and weatherproof. The optical emission is diffuse, precise, and uniform, also thanks to the transparent polycarbonate diffuser. Titano is available with an AISI 316L stainless steel body or in the EN AW6060 extruded aluminium version with the possibility of a Graphite and Oxide finish.

IT Titano è un apparecchio da terra disponibile in 4 differenti altezze (45-75-100-125 cm), facilmente integrabile e installabile in ogni tipologia di ambiente esterno. Una forma semplice per un paletto pratico e formale, robusto e inattaccabile dagli agenti atmosferici. L'emissione ottica è diffondente, precisa e uniforme, anche grazie al diffusore in policarbonato trasparente. Titano è disponibile con corpo in acciaio inox AISI 316L o nella versione in alluminio estruso EN AW6060 e possibilità di finitura Grafite e Ossido.
